

# Washington Baltimore Center for Psychoanalysis

## 2017 Cultural Competence Conference Changing Notions of Pathology

Sunday, November 5<sup>th</sup>, 2017, 12:30 – 4:00

The George Washington University  
Mount Vernon Campus  
2100 Foxhall Road, NW  
West Hall B- 108  
Washington, DC 20007

**Introduction: Margarita Cerejido, PhD**

### Presenters:

#### **Rosemary Balsam, MD: “From ‘The Child Woman’ to ‘Wonder Woman’: Progress and Misogyny in Psychoanalytic Theory and Clinical Work”**

Dr. Balsam is an Associate Clinical Professor of Psychiatry and a staff psychiatrist at Yale University; and a Training and Supervising Analyst at the Western New England Institute for Psychoanalysis. Her special interests are gender developments, young adulthood, the place of the body in psychic life, the work of Hans Loewald and teaching. She has written award winning papers and books, lectured here and abroad. She was a National Woman Traveling Psychoanalytic Scholar for APsaA. She is on the editorial boards of *Psychoanalytic Quarterly*, *Imago*, and *JAPA*. Her most recent book is: Women’s Bodies in Psychoanalysis (2012, Routledge).

#### **Janice Lieberman, PhD: “Be Careful What You Wish For: A Psychoanalyst Reacts to the Liberation of Aggression in Women”**

Dr. Lieberman is a Training and Supervising Analyst and Faculty member at the Institute for Psychoanalytic Training and Research in New York, where she maintains a private practice. She served on the Editorial Board of *JAPA* and other journals for many years and is the author of Body Talk: Looking and Being Looked at in Psychotherapy. She has written many articles on gender, deception, body image, greed and envy, and psychoanalysis and art. She is currently writing a book tentatively titled: “Psychoanalysis and Cultural Change: Clinical Evolutions on the Superego, Body and Gender” to be published by Routledge.

#### **Carlos Sluzki, MD: "Anti-Psychiatry Revisited 2017"**

Dr. Sluzki is a psychiatrist, psychoanalyst and family therapist currently living and practicing in DC. He is Clinical Professor of Psychiatry and Behavioral Sciences at The George Washington University, as well as Professor Emeritus of Global and Community Health and of Conflict Analysis and Resolution at George Mason University. A Guggenheim Fellow, twice awardee of the American Family Therapy Academy and honorary member of multiple professional organizations worldwide, he is a prolific writer and frequent keynote presenter at professional conventions.

# Marshall Alcorn, PhD: "The Impact of Trauma Theory upon Cultural Beliefs of Mental Disability"

Dr. Alcorn is Professor and Current Chair of the English department at The George Washington University and also teaches at the Washington Baltimore Center for Psychoanalysis. He is the author of Narcissism and the Literary Libido, 1997, Changing the Subject in English Class, 2003, and Resistance to Learning, 2013. His research interests encompass neurasthenics, trauma studies, psychoanalysis, rhetoric, and pedagogy.

Learning Objectives: Participants will be able to:

1. compare therapists' attitudes towards homosexuality in the 50's and today.
2. compare therapists' attitudes towards women's decision not to have children in the 50's and today.
3. list at least two diagnoses that have changed between the DSM IV and DSM V.
